Subject: Re: New Alternate

Thank you, Truman, for your suggestion for a nominee to serve as an alternate on the Louisiana Geographic Information Systems Council. In considering your recommendation, as well as receiving input from other staff in the Center, I am suggesting that the following individual be nominated as your alternate:

Mr. Daniel MacDonald, P.E.
LDHH/OPH, Engineering Services
6867 Bluebonnet Blvd, Box 3
Baton Rouge, LA 70810
Phone: (225) 765-2919
Fax: (225) 765-5040
E-Mail: dmacdond@dhh.la.gov

Accordingly, please notify appropriate LGISC officers of your alternate, with a copy of that notification to me; and, please bring Mr. MacDonald up to date on any LGISC activities.

Thank you for your input and assistance in this regard, and please do not hesitate to contact me with any questions or concerns.

Bobby
