I will not be able to attend the meetings. I am considering Tpr. Mark Richards as the alternate. He attended last weeks meeting.

Mark,

Will you be able to attend any GIS Council meetings this fall? We would like to have an active participant from the Department of Public Safety on the GIS Council, and we have not had anyone attend a Council meeting in over a year. Is there anyone working for DPS that could serve as an alternate on the Council?

Please advise.

Regards
