**CERTIFICATION FOR MAY 2020 DIGITAL DATA COMMITTEE MEETING**

In accordance with Executive Proclamations JBE 2020-30 and 2020-33, issued by Governor John Bel Edwards on March 16, 2020 and March 22, 2020, respectively (and as amended and extended by JBE 2020-41 and JBE 2020-59), this notice shall serve as a certification of the Digital Data Committee of the Louisiana Geographic Information Systems Council's ("DDC") inability to otherwise operate in accordance with the Louisiana Open Meetings Law as a result of the COVID-19 public health emergency. Pursuant to Section 4 of 30-JBE-2020, the LGISC will provide for attendance and quorum at its essential government meeting on May 21, 2020, via video conference. It is essential for the DDC to continue to operate because of the crucial nature of GIS technology to responding to any emergency. This is especially true as certain members of the DDC serve government functions necessary for the continued operation of certain aspects of the emergency services, healthcare and public health, agriculture, communications, and energy industries, which has been recognized as essential by the Governor in Section 3 of Proclamation No. 33-JBE-2020 and by the U.S. Department of Homeland Security, see <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>.

Considering the foregoing, and in accordance with Proclamation Numbers JBE 2020-30 and JBE 2020-33(as amended and extended by JBE 2020-41, JBE 2020-59), the DDC's meeting on Thursday, May 21, 2020, at 12:00 p.m., will be held via video conference and in a manner that allows for observation and input by members of the public, as set forth in the Notice posted on May 18, 2020.
