

**RESOLUTION
OF THE
LOUISIANA GEOGRAPHIC INFORMATION SYSTEMS COUNCIL**

Whereas', the Louisiana Geographic Information Systems Task Force originated the concept of this Council and worked towards its establishment under law, and

Whereas, the Task Force accomplished this effort under the able leadership of its chair, **Sharon Balfour**, and

Whereas, this Council would not exist without many years of her dedication, work, commitment and perseverance,

Be it therefore Resolved by this Council, to express its appreciation and commendations to **Sharon Balfour** for her unflagging efforts to bring this Council into existence and to provide the mechanism and climate for the full use of Geographic Information Systems technology to the benefit of the people of Louisiana.

This resolution was adopted **by** the Louisiana Geographic Information Systems Council on November 30, 1995.
