

**RESOLUTION
OF THE
LOUISIANA GEOGRAPHIC INFORMATION SYSTEMS COUNCIL**

Whereas, the Louisiana Geographic Information Systems Council created by the Act 922 of 1995 to foster cooperation and coordination among the various state entities developing and maintaining GIS systems, and

Whereas, **Ms. Zella Scheve** has ably represented the Louisiana Municipal Association on the Council since its creation, and

Whereas, this Council has benefited from her many years of dedication, work, commitment and perseverance,

Therefore be it Resolved that this Council expresses its appreciation and commendations to **Zella Scheve** for her dedicated service to this Council on behalf of the Louisiana Municipal Association in the promotion of the full use of Geographic Information Systems technology to the benefit of the people of Louisiana.

The Louisiana Geographic Information Systems Council adopted this resolution on July 9, 1998.

Joe Holmes, Chairman
Louisiana Geographic Information Systems Council
