**RESOLUTION TO SUPPORT LDOTD IN THEIR EFFORTS TO**  
**UPDATE AND DEVELOP A SEAMLESS TOPOGRAPHIC**  
**GEOSPATIAL DATABASE FOR LOUISIANA**

Adopted October 18, 2007

WHEREAS, the state of Louisiana has long recognized the importance of maps and geographic information to further the best interests of the state,

BE IT RESOLVED, by the Louisiana Geographic Information Systems Council, this 18th day of October, 2007, that we support the DOTD effort to update and create a public domain seamless digital geospatial database, similar to the spatial data contained within the USGS 7.5-minute map series for the state of Louisiana, and be it,

FURTHER RESOLVED, the Louisiana Geographic Information Systems Council, calls on the Governor, Chief Information Officer, State Agencies, and the Louisiana State Legislature to support this effort, and be it,

FURTHER RESOLVED, the Louisiana Geographic Information Systems Council encourages the Louisiana geospatial information community, local and federal governments, academia, and the private sector, to support this effort and participate in its enactment.
