A Resolution:
LSPS Membership
 Adopted March 16, 2006

The Louisiana Geographic Information Systems Council (LGISC) Membership Subcommittee (Joe Holmes, Chair) reviewed the application submitted by the Louisiana Society of Professional Surveyors for membership in the LGISC.

The Membership committee agrees that the Louisiana Society of Professional Surveyors meets the requirements for membership in the Louisiana Geographic Information Systems Council. The committee recommends a vote of the full Council at their next scheduled meeting on March 16, 2006.
