

**2009 Hurricane Season Geospatial Data Mining Workshop**  
**NASA/UL Lafayette Regional Application Center**  
**June 2, 2009**

- 9:00 am Welcome and Introductions  
Brent Yantis, Director, Regional Application Center  
Chris Cretini, U.S. Geological Survey
- 9:15 am Denis Riordin  
NOAA National Geodetic Survey State Advisor to Louisiana  
The National Geodetic Survey NSRS & OPUS-DB
- 9:45 am Brenda Jones  
USGS Disaster Response Coordinator  
International Charter Coordination
- 10:45 am Break
- 11:00 am P. Dane Wilson  
FEMA Region VI GIS Disaster Operations and Assistance GIS Coordinator  
FEMA GIS Operations
- 12:00 pm Lunch
- 12:45 pm Mike Liotta  
GIS Manager, Louisiana National Guard  
LA National Guard Common Operating Picture
- 1:15 pm LTC Roy C. Worrall  
Deputy J2, Military Intelligence, Louisiana National Guard  
Incident Awareness and Assessment (IAA)
- 1:45 pm Emmitt Witt  
Emergency Operations Coordinator, USGS National Geospatial Technical  
Operations Center (NGTOC)  
NGTOC Emergency Operations
- 2:10 pm Break
- 2:25 pm Rusti Liner  
GIS Applications Manager, NIMSAT Institute, UL Lafayette  
Louisiana Emergency Data Repository - Phase I Pilot Study
- 2:50 pm Tim Osborn  
NOAA Regional Manager, Eastern Gulf  
NOAA Data Resources and Hurricane Season Preparation
- 3:15 pm Tamera Hewitt  
LA Governor's Office of Homeland Security and Emergency Preparedness  
Geospatial Coordination for Hurricane Season
- 3:45 pm Discussion and wrap up
- 4:00 pm Adjourn
